# BE THE DIAMOND! *all in* PACKAGE

The **Be the Diamond 'All In' Package** is a commitment of 9 sessions designed to rebuild your 'cracked' energetic foundation by releasing your blocks, imprinting, manipulation programming & conditioning from your past, including wounding, negative experiences & past life bleed throughs that affect you today. This allows for your personal, professional & spiritual growth to be expansive AND sustainable. You commit to being 'All In' to get the work done, so you are free to 'BE' YOU & manifest the life you came here to live.

## THE FIRST 7 SESSIONS...

The first 7 sessions are designed to bring you 'current' & online with your True Self, the Divinity of who you are & vibrationally aligned to operate, create & manifest from the 5th Dimension. Afterward, many clients have the ability to address on their own what's coming up for them in everyday reality. They are able to clear any further obstacles or habits & continue to raise their energetic frequency. Amanda loves the opportunity to assist you to expand on your 'New' energetic foundation & help you activate your SOUL Codes of Destiny. After the first 7 sessions which are designed to remove the layers of patterning, imprinting & wounding that have kept you separate & from knowing who you really are, you are now ready to discover your True Essence ... your SOUL's Essence & embody your Greater SOUL's Purpose & Plan.

## SESSION 1 2-HOURS

This foundational session is designed to establish your Heart-Centered Grounding, clear your Parental Imprints, Ancestral Lineage Encodings & Family Cords. You are imprinted by your parents' wounding & pain as a way to identify your own healing agenda & journey. It is an important rite of passage to clear it. Lineage encodings occur through the bloodline. Although your ancestors have tried to help you & it is love-based, what they share is extremely outdated & needs to be cleared. Other relationships are also designed to reveal anything unhealed in childhood or incomplete from the past. The chance of having matching patterns with your loved ones is very strong, thus clearing is essential.

## SESSION 2 75-MINUTES

Session 2 is designed to identify your SOUL's Purpose & Destiny; to discover your SOUL age & to clear your Shadow side. Each SOUL evolves from level to level within different SOUL ages. In childhood, many experience their gifts & talents as liabilities, especially when ridiculed or chastised for being who you innately are, which causes you not to feel safe. You try to hide or suppress these gifts because you want to fit in, belong & to be accepted & loved.

Since everything is energy, energy cannot be hidden or destroyed, so your gifts are then suppressed & pushed into your Shadow side ... which holds your negative energies & the skewed Truth of who you are in your thoughts, feelings, beliefs & perceptions. These can include your grief, anger, judgments, Self-deprecation & fears, just to name just a few. Now your gifts can be cleared of the negative, fearful thoughts, emotions & beliefs, so they can be reclaimed & reactivated!

## SESSION 3 75-MINUTES

This 3rd session is designed to clear your Fetal Imprints ('Mama Karma'). Another form of imprinting occurs in the womb and is called Fetal Imprinting, also referred to as 'Mama Karma'. Apparently, you absorb more than your mother's nutrients ... you also absorb her karma. By carrying your mother's karma, you are split and have to deal not only with your karma, but hers as well. This too, needs to be cleared, so you can have access to all of your own Universal life force energy. This allows you to focus on your own life experiences & come into Unity within your Self.

## A SPECIAL NOTE ON PAST LIVES

Past life "bleed-throughs" can affect you on a daily basis in every part of your life. Most have a past life in Atlantis & Lemuria (especially if you are attracted to this work). Many have tried & failed to clear the negative effects from these lifetimes. With The Diamond Co-Creative System™, you can do so once & for ALL. Sessions 5 & 6 are dedicated to these clearings.

### SESSION 4 75-MINUTES

**Designed to clear Feminine Cultural Programming & Childhood Defense Patterns.** Most women on earth have been subjected to Feminine Cultural Programming that has served to suppress the matriarchal & feminine energies. Women have been taught that their needs are not important, so many have not learned or ever known what they really need or want! Women are taught to put other people's needs ahead of their own & sacrifice themselves to do so. Plus, most have Childhood Defense Patterns to keep themselves safe, by pushing others away whether through tantrums, withdrawal, or sickness. The outcome ... these patterns get in the way of your desire for intimacy, connection & the desire to be seen, heard & valued.

### SESSION 5 2-HOURS

**Atlantis/Lemuria Part I: Designed to clear the energetics of pivotal Past Lives such as Atlantis & Lemuria & the Ascension attempt failures.** Over eons of time, Humanity failed in our Ascension attempts & taken on the energies of chronic shame, guilt, 'not good enough' & unresolved visceral fears. These past failed Ascension attempts of Atlantis & Lemuria are the biggest blocks to living the life you Truly desire & fulfilling your SOUL's Purpose & destiny.

Part I clears the energetics from your Chakra system & Bodies of Consciousness, so you can release the energies that keep you stuck in not being happy, prosperous & able to thrive & fulfill your life's path.

### SESSION 6 75-MINUTES

**Atlantis/Lemuria Part II: Designed to complete the Patterns created from the energetics of your pivotal Past Lives. This session focuses on identifying, releasing & clearing negative patterns that have been 'running' you for lifetimes.** Some of these patterns include low Self-worth, 'non-deserving', 'not enough', guilt, shame, blame, depression, as well as the fear of technology, visibility, leadership & even success. Once the past life energetics are cleared, the negative patterns are actually easier to release & complete as they are no longer rooted in your energetic matrix. Individuals are amazed at the freedom they experience as these patterns are reconfigured & realigned. They actually see & experience their True Self & feel like a new person.

### SESSION 7 75-MINUTES

**Designed to clear Manipulation Programming & any open contracts with dark energies that need to be completed.** Humankind has been subjected to "Manipulation Programming" that has been used to control you since the beginning of time. It is designed to have you focus on the pursuit of happiness, money & success, and has enslaved you to your work, distractions, addictions & even your spirituality. Now, you can finally set your Self free to start thinking for your Self to reclaim your innate power & wisdom. In order to choose the path of Light, you have also experienced past lives where you explored the dark. Some even offer to carry dark energies into this lifetime for the purpose of transforming them & to be in service to the Light. These can now be cleared, along with any open contracts.

# YOUR SOUL'S JOURNEY & INFINITE POSSIBILITIES

You came here for a reason for this moment on earth. Rather than wonder what your Purpose is, these final 2 sessions will reveal what you came to share with others & the planet. Each one of us agrees to teach something we have already learned & then to discover what is next for us on the wheel of life. Free Will on earth allows us to teach & learn, either consciously through the path of Joy & Expansion ('5D'), or unconsciously in pain & struggle ('3D'). You now have a choice!

## SESSION 8 2-HOURS

**Now that you are cleared of who you ARE NOT, it's time to learn who you ARE!**

This session assists you to understand your energetic make-up through your SOUL Map & Personal Numerology Blueprint. It provides the energetics of your Life Path, Core, Essence, Expression, SOUL's Urge & Personality numbers. Plus, you will discover if your current names, both personally & professionally, match your energetic make-up and, if not, how you can improve your vibrational match to expand your success on all levels. The SOUL Map gives you an understanding of why you do the things you do that, many times, affect what you are feeling. This session helps you confirm what you may have already suspected or known.
